## **Who Are We?**

Flagstaff Academy is a PK–8 **public charter school** with a mission to develop students who are equipped to be well rounded, ethical leaders in the world community with a foundation based on science and technology. The **Flagstaff Academy PTO is a 501(c)(3) non-profit organization** made up of parents dedicated to supporting Flagstaff's mission through community building and donations to the school.

Founded in 2004, Flagstaff Academy is in its 10th year of operation. The Core Knowledge sequence, with an enhanced focus on science and technology, has attracted students from many neighboring communities. Currently, our **920 students** come from **Longmont, Erie, Boulder, Niwot, Frederick, Firestone, Lafayette, Louisville, Dacono, and Berthoud.**

## **Why Donate to Our Auction?**

As a public charter school, Flagstaff Academy receives less support than other St. Vrain District public schools. Our school must maintain its standard of academic excellence while diverting funds to areas such as facility costs. Because of this, Flagstaff relies on PTO support to enhance the educational program at our school. **PTO donations typically provide computers, science enrichment, Smartboards, outdoor play structures, and classroom items/materials.**

## **What to Donate?**

We are asking for donated **items, services, and gift certificates.** We also welcome **in-kind donations** that **help underwrite the cost of the auctions.** Sponsors will have their name displayed at the Gala and be highlighted in the auction program. Based on value of your donation, you and/or your business can also be recognized on the PTO's auction website, social media, and on the school's electronic signage.

## **Become a Sponsor!**

If you have an employer, own a business, or know a group/person that can contribute to our cause, **ask them to become a sponsor!** Sponsorship is a great way to **introduce your business to the Flagstaff Community!**
