WE NEED VOLUNTEERS

The PTO works hard all year to raise funds for our school and organize community events to help promote our school. We also find ways to encourage our teachers and staff throughout the year. **None of this could happen without parents getting involved and helping out, even just a little bit.**

Please consider connecting with the PTO next year to see how you can help. We have a variety of events, tasks, and behind-the-scenes activities that parents can work on, no matter their busy schedule. You can read more about the reasons why it's great to be involved at our website: FlagstaffAcademyPTO.org/volunteer-opportunities.html.

On a final - fun! - note, please take 5 minutes quiz to see how well you know your PTO:

DRAGON WELLNESS

April is National Volunteer Month—a month dedicated to recognizing the importance of volunteering and honoring the significant contributions volunteers make by generously donating their time and talents to worthy causes.

This April, in addition to celebrating volunteers, you can become a volunteer yourself! **And what better place to volunteer than at our school!** Volunteering enables you to help others and improve your overall well-being in the process—it can't get any better than that! To view volunteer opportunities at Flagstaff Academy, go to our Volunteer Portal. Create a login if you haven't yet.
