

FREE \$ FOR FLAGSTAFF

KING SOOPERS FUNDRAISER

We each have an opportunity to earn 5% of our KING SOOPERS grocery purchases, which will then be paid directly to our Flagstaff Academy PTO. It is easy and an incredible way to earn money for something we are already naturally doing. The card works at King Soopers as well as any Kroger affiliate store

Once you acquire the special King Soopers re-loadable card, you just need to remember to load the card BEFORE you start checking your groceries or buying gas at any King Soopers gas station. You can even load it with a credit card, so you can continue to accumulate your own rewards on your credit card. Once you pay for your groceries or gas with the re-loadable card, the 5% automatically accumulates in an account for our Flagstaff PTO. Such a simple way to give back to the school we love!

Tricks to remember to use it:

Keep your reloadable King Soopers card visibly in front of your credit card, so you grab that first and load it.

Keep the re-loadable card with your King Soopers loyalty card

You can buy it online at <http://www.flagstaffacademypto.org/king-soopers-fundraiser.html>

The card costs \$3 , as it already has \$3 on it, ready to spend.

We will mail the card to you within the next week.

Please detach, include payment, put in an envelope and return via your child's Friday

Folder or to the MS homeroom teacher

**Make checks payable to:
Flagstaff Academy PTO**
