- Students can save their milk caps throughout the summer.

## How often can my school submit milk caps to receive Moola?

- We ask that you please collect at least 1,000 Longmont Dairy bottle caps before you call our Community Service Director and ask for a pick up.
- Once we have received and verified the milk caps, we will write a check to your school within two weeks.

## How do we count the caps and get them to Longmont Dairy?

- We ask that you assign a person at your school who will be responsible for packing all of the caps in the bags and/or boxes provided.
- The school is responsible for verifying that the caps are from Longmont Dairy bottles, counting the caps, putting the school information on the form provided by Longmont Dairy and attaching it to the bag.
- More submission forms are available at our website: [www.LongmontDairy.com](http://www.LongmontDairy.com).
- Once at least 1,000 caps are ready, please contact Longmont Dairy and we'll coordinate a pickup: 303-776-8466.
